

Flanders Valley Graham

October 2009

On the go! Our Flanders Valley School Bus has been very busy. Not only has it been going back and forth to schools it took us on a trip to Ort Farms for our pumpkins. On October 12 it will be heading down to Liberty Science Center.

FIRE SAFETY MONTH

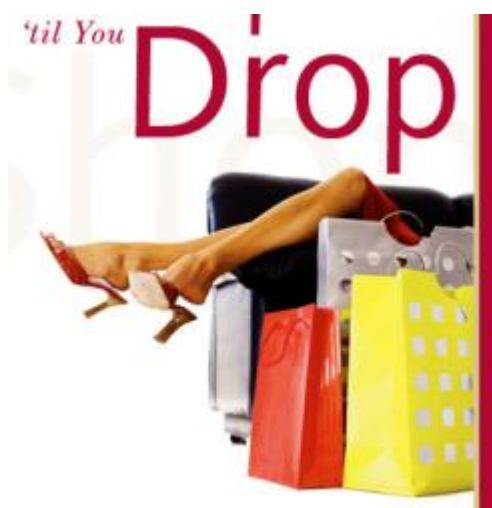

This month's theme will be all about Fire Safety. We will be discussing STOP – DROP and ROLL as well as other safety measures. It is a good idea to review this with your child at night as well as having a mock fire drill in your home. The fire truck visited our School on the 5th and the older children were able to tour the Flanders Fire Safety House.

Happy Birthday to our October children.

Remember to schedule a flu shot for your child. It is required by the State of New Jersey that all children in a day care setting receive a flu shot. If for any reason your child can not receive one, we need documentation from your doctor.

Holiday fund raisers are due on October 16, 2009. We greatly appreciate your help with our fund raisers. All of the profits we receive go directly back into our center.

Flanders Valley Graham

October 2009

Trick or Trunk will be held on October 30 at 9:30 in our parking lot followed by class parties. Each class will have a "need" list posted. If you have never participated in our Trick or Trunk, you have missed out on the fun. If you have any questions feel free to ask your teacher and plan on staying for all the fun.

Remember: To pack utensils for your child's lunch. Also with colder weather coming, please **LABEL** anything that your child wears. This would include their coats, mittens, glove, and hats.

REMINDER

When dropping off or picking up, please alert a teacher. No child or a sibling is allowed to be left in a room alone. Also, please drop off or pick up their belongings in their classroom.
